PROFESSIONAL PROFILE

Hazel is a qualified Chartered Accountant with over 19 years of practical, local and international executive working experience. She is the founder of Primorial, an African professional services firm, which works with small and large businesses that make (or will make) a positive difference in the world. She started Primorial because she is passionate about small businesses and the large impact that successful small business development can have on the economies of South Africa and the African continent at large.

Hazel is a respected mentor for the support and development of women in the workplace to achieve their full, and desired potential.

Hazel is the winner of The Woman of Stature Awards : Entrepreneur of the Year 2023.
